

Kurri Kurri High School

Year 10 Child Studies Assessment Schedule 2024

Course: **Child Studies**

Head Teacher: T Gavenlock

| | Task 1 | Task 2 | Task 3 |
|----------------------------|--|--|---|
| Due Date/ Date of Task | Term 1 Week 10 | Term 2 Week 9 | Term 3 Week 10 |
| Topic | Growth and Development | Play and The Developing Child | Family, Culture and Belonging |
| Name of Task | Stepping Stones | Sustainable Toy | Parenting Across the Ages |
| Brief Description | Students will research the development milestones for children from birth to 5 years and create a website educating parents/carers on the importance of healthy development. Students will also take care of a baby egg, recording the activities completed with their egg to promote healthy development. | Students will plan and create a toy suitable for a young child using sustainable products. The toy must be created using recycled, sustainable items. Students will need to journal the development of their toy and submit a written component of the task. | Students will research a parenting generation, comparing their generation to today's to evaluate the different parenting practices over time. This will be done as a presentation to the class. |
| Components | Caring for an egg Writing Task/ Reflection Research Website Creation | Planning Toy Creation Written Component | Research ICT Communication Skills |
| Syllabus Outcomes Assessed | CS5-1, CS5-2, CS5-5, CS5-6, CS5-7, CS5-8, CS5-9, CS5-10 | CS5-1, CS5-4, CS5-5 | CS5-3, CS5-11, CS5-12 |
| Skills Assessed | Researching, organising and analysing information, written communication | Written communication, working with others | Researching, organising and analysing information, effective communication, working with others |
| Weighting | 40% | 30% | 30% |
