The Portfolio and Presentation Stage 6 course is a school developed course. CECs are developed by NESA to address particular needs and may cater for a wide candidature of students. CECs are not externally examined, and results are not eligible for inclusion in the calculation of the Australian Tertiary Admissions Rank (ATAR).

As a CEC, there is no HSC examination for the Portfolio and Presentation course. Assessment in this course is school-based. Teachers award an assessment mark in Year 12 using the Achievement Level Descriptions for reporting achievement.
