Depending on the achievement of units of competency, the possible Preliminary qualification outcome is a Certificate II in Hospitality or a Statement of Attainment towards a Certificate II in Hospitality. The assessment components in this course are competency based. This means that students need to demonstrate that they have gained and can apply the specific knowledge and skills of each unit of competency. Competency assessment is graded as “not yet competent” or “competent”. In some cases other descriptive words may be used leading up to “competent”.

* Indicates no mark is collected for external assessment and any examination is carried out according to the school's internal assessment policy.
