Skills	50%	20	15	15
MARKS	100%	40	30	30

Students completing this course need to be aware it does not contribute to an ATAR

Assessing and Reporting Extract

- It is suggested that 3-5 tasks are sufficient to assess the HSC course outcomes for a two unit course
- Tasks must be consistent with the type of objectives and outcomes being assessed, provide for a range of performances and achievements within the group and use a range of assessment instruments which are appropriate to the outcome it is designed to measure.
- At least ONE task must derive from formal examinations **(covered in Year 11)**
