

Starting High School @ KKHS

What do I bring?

On Day 1 and 2, students will be participating in activities designed to support your transition to Kurri Kurri High School, therefore you just need to bring your drink bottle, food, or some money to purchase food from the canteen.

You will NOT need to bring your device on Day 1 and 2.

However, it is expected that students will bring their devices and all other stationary requirements every day from Day 3.

What time should I be at school?

School starts at 9am, you should aim to be at school by 8.45am so that you have enough time to say goodbye to those who have come to wish you goodluck and get ready to start your first day with us.

Where do I go?

Year 7 students and their families will assemble in the Gym located at the front of the school (Deakin St).

What happens in the first few days?

Year 7 students will participate in KKHS Boot Camp for the first 5 weeks of Term 1. Boot Camp is designed to expose Year 7 to how learning looks and feels at Kurri Kurri High School and to provide you with the tools to be successful throughout your high school journey.

The first two days are spent getting to know your teacher and your Hub classmates. You'll learn how to navigate your way around the school and participate in Project Launches as an introduction to the projects you will be participating in during Term 1 in Core, Lifestyle, Music and French.
